Root Word Word Wall Cards

Level 1

There are 24 cards in this set. Each of these roots are on yellow cards, so help you differentiate between each of the different levels. You will find the large cards first followed by the smaller set. The cards in both sets are identical. They are varying sizes to accommodate various size word walls.

The pictures in each set were chosen to help your students better remember the roots and their meanings. The picture matches the meaning of the root. If there is a root meaning in a different set with the same meaning, the same picture is used.

Roots in this set include:

Root	Meaning	Root	Meaning
Anti	Against	Port	Carry
Auto	Self	Pre	Before
Bi	Two	Re	Again
Bio	Life	Sol	Sun
Circum	Around	Sub	Under
Ex	Out	Syn	Same
Graph	Write	Tele	Faraway
Inter	Between	Terra	Land
Multi	Many	Tract	Pull
Nym	Name	Trans	Across
Ology	Study of	Un	Not
Phone	Sound	Uni	One

Root Word Word Wall Cards

Level 2

There are 24 cards in this set. Each of these roots are on yellow cards, so help you differentiate between each of the different levels. You will find the large cards first followed by the smaller set. The cards in both sets are identical. They are varying sizes to accommodate various size word walls.

The pictures in each set were chosen to help your students better remember the roots and their meanings. The picture matches the meaning of the root. If there is a root meaning in a different set with the same meaning, the same picture is used.

Roots in this set include:

Root	Meaning	Root	Meaning
Aqua	Water	Kilo	Thousand
Aud	Hear	Meter	Measure
Cent	Hundred	Non	Not
Contra	Against	Para	Beside
Dia	Across	Per	Through
Dict	Say	Photos	Light
Duo	Two	Poly	Many
Extra	beyond	Post	After
Geo	Earth	Scope	See
Gram	Write	Scrib	Write
Hemi	Half	Struct	Build
Ject	Throw	Tri	Three

All 72 roots in the set are listed here. Each set of words are on different colored cards, so that you can easily distinguish between them.

Root Word Word Wall Cards

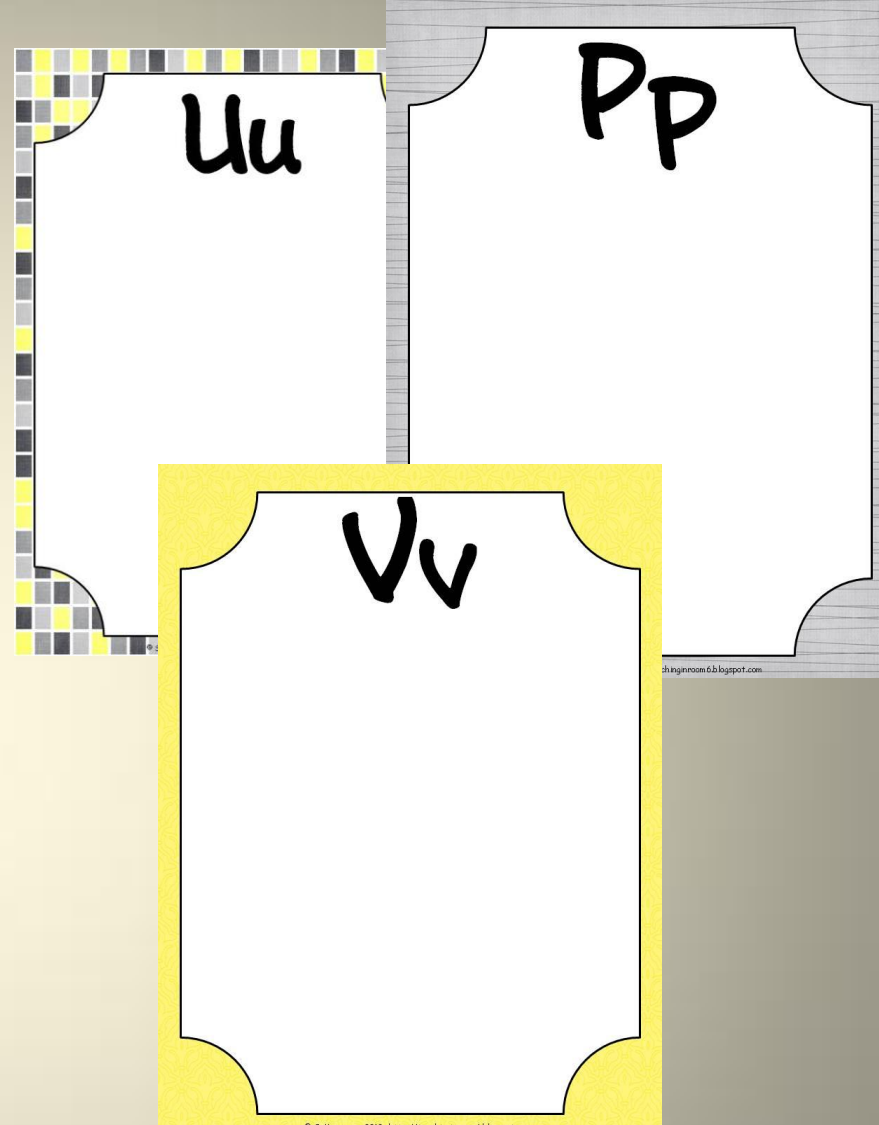

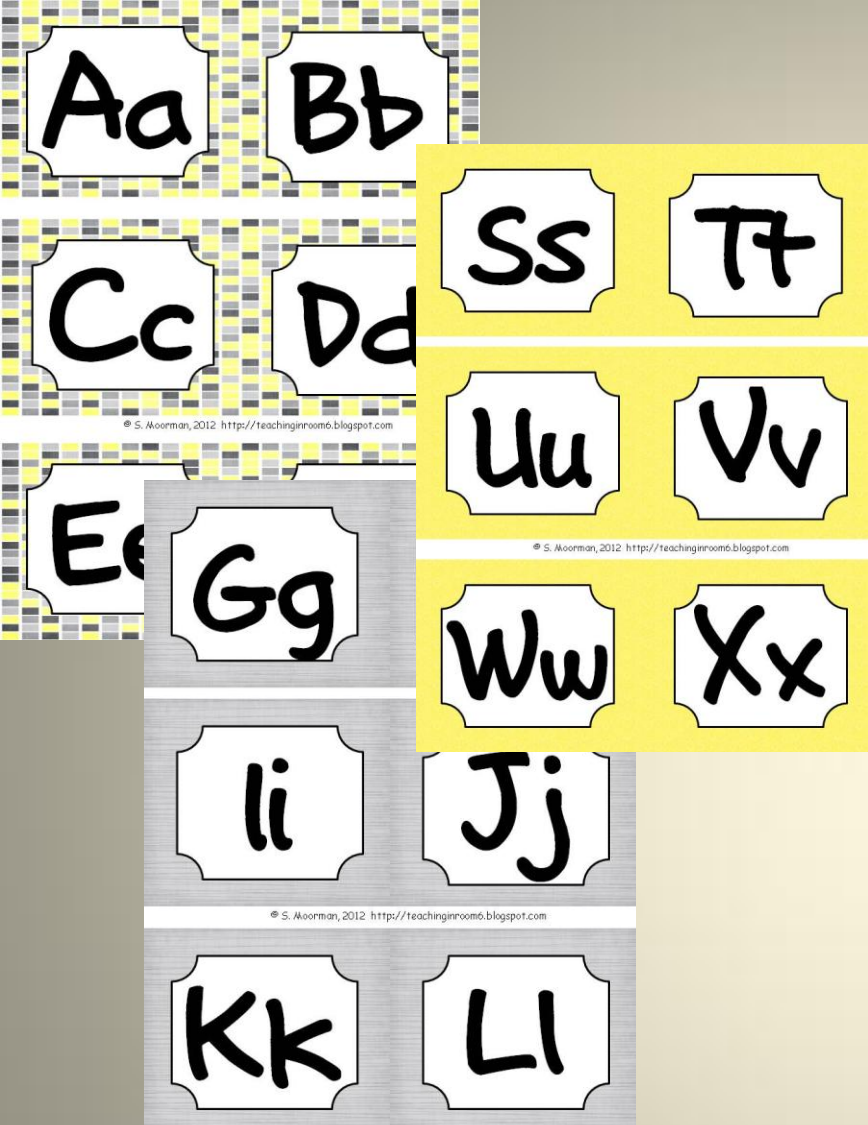

Level 3

There are 24 cards in this set. Each of these roots are on yellow cards, so help you differentiate between each of the different levels. You will find the large cards first followed by the smaller set. The cards in both sets are identical. They are varying sizes to accommodate various size word walls.

The pictures in each set were chosen to help your students better remember the roots and their meanings. The picture matches the meaning of the root. If there is a root meaning in a different set with the same meaning, the same picture is used.

Roots in this set include:

Root	Meaning	Root	Meaning
Ad	To or toward	Morph	Form
Counter	opposite	Narr	Tell
Di	Two	Neo	New
De	Reduce	Omni	All
Fract	Broken	Opt	Eye
Grav	Heavy	Phobo	Fear
Hydro	Water	Quad	Four
Ir, il	Not	Rupt	Break
Im, in	Into	Sect	Cut
Junct	Join	Tact	Touch
Log	Word	Therm	Heat
Mono	One	Vis	See

There are also two different styles of Word Wall you can choose from. One has these small cards, that are more versatile and can fit on a bulletin board. The second are the 8 x 10 pages, where you can laminate them individually and use them on your wall.

All of the sets (both wall pieces and word cards) in this pack follow the yellow/grey color scheme
